

M. Tech. in Hydro Power Engineering

This course started in 1966 with financial assistance provided by UNESCO and BHEL. Present intake of the programme is 18. The selection of students is through GATE ..

FACULTY : Seven specialized faculty specialized in Advanced Fluid Mechanics, Hydro Power Engineering, Turbine and Pump design, Water Resources.

1. *Dr. Vishnu Prasad, Professor*
2. *Dr. Charu Parashar, Professor*
3. *Dr. T.S.Desmukh, Professor*
4. *Dr. M.K. Choudhary, Associate Professor*
5. *Dr. A.K. Thawait, Assistant Professor*
6. *Dr. Ruchi Khare, Assistant Professor*
7. *Dr. H.L. Tiwari, Assistant Professor*

LABORATORY FACILITES: Large hydraulics Lab equipped with all types of hydraulic machines, open flumes and hydraulic equipments.
