Subscription and Activation of Knimbus

All faculty members, research scholars & students are requested to note that the access to technology platform Knimbus has been provided to MANIT by INDEST - AICTE Consortium. It's a complementary, free trial access provided by the consortium to all its core members; the activation being done in two phases covering 27 & 24 data sources respectively.

Knimbus is a cloud based platform for powering innovation by connecting researchers to relevant content and communities. With Knimbus, users at MANIT shall find it easy to get all Knowledge in 1 - click, create personalized profiles, connect with peers globally, find content from millions of journal articles, Ebooks and patents; use smart tools to quickly drill down to the right information, showcase the information that matters, get their work recognized in the research community, extend their professional network, invite peers to collaborate on shared projects and share opinions across the community.

The URL for accessing the subscribed resources is: <http://www.knimbus.com/> . All Users can login by registering their e - mail ID on the Knimbus Website by using the link "Join Now" and furnishing all details as desired in the standard registration form thereon.

The access is up and running now, and covers all content being made available by Knimbus.

The access to the subscribed resource has been activated on all currently active institute IP Ranges (as indicated & confirmed by Mr. H. S. Chouhan, I/c Networking).
