

Subject: MANIT students winning four trophies in 60th annual NASA convention.

The students of Department of Architecture has been participating in the annual NASA competition since past many years. This convention is largest of its kind among architecture institutes, approximately 260 institutes from India and many foreign delegates from various countries participate in this event. There is increasing enthusiasm among the students for this event and as a consequence bringing more trophies every year. This year the students participated in eleven trophies and are declared winner in four with winning amount of Rs. 4,30,000/-. The students as well as the institute is gaining recognition by huge participation and results. Congratulations to all student participants.

Dr. Rajat Soni
Prof. Incharge NASA

60th annual NASA convention, 2017-18.
